We have now completed 8 years of facilitating this conference, and we want to thank you for supporting us over this time, and only eternity will reveal the consequences of your faithfulness. Destinies of nations are being decided, and blessings and curses are strongly linked to the responses over Israel, who is understanding she has friends among certain sections of the Church. We are alive 'for such a time as this'! Our LOVE is VITAL!

We again want to express our appreciation to Pastor Peter Loo and the Emmanuel Centre team for partnering with us in this event. We are grateful beyond words, and may ripples of blessing from the heart of the Lord shower on the fellowship.

As His worshipping warriors, may we go even deeper, and from strength to strength for the Kingdom!

ARI SORKO-RAM joins us from Tel Aviv, and the vibrant Messianic congregation there. With his strong apostolic gifting, and understanding of the times, he will impart a deposit which we need in order to press through in the shaking that is coming on the world.

DENNIS GREENIDGE needs no introduction as he has been an integral part of these conferences from the start. He is in demand as an international speaker and intercessor, with a deep love for Israel.

GILES STEVENS is a charismatic and anointed leader, and a very welcome addition to our team. His heart to disciple people in the Body of Christ is truly inspirational.

RICHARD LEWIS will lead much of the worship this year. He is prophetic and leads from the heart. He is a gift to the Body in this season, and his young family of musicians a force to be reckoned with!

JULIET DAWN has been an inspiration to many through her prophetic poetry, quite unique! The worship gifting consistently leads people into the presence of the Lord, and her Kingdom outlook has helped shape our events.

SH'MA KINGDOM DANCERS led by Ginnie White, have paid a price for the anointing they carry. Each year they bring something special in the set pieces, and also leading the congregation in the dance.
